Student needs

Team-reported interview summaries, n = 15. Qualitative input.

01

Occasional demand

Friends and existing services come first. Focus on a specific, planned need.

V002, V005, V008, V015

02

Owner commitment

A relevant listing still needs an owner who accepts the requested dates.

V001, V003, V009, V012, V014

03

Privacy choice

A public handoff should work without live location or a shared full timetable.

V004, V008, V009, V013

First target user

DTS student with a planned need, without a suitable item from a peer.
